

1. CEILING: concrete

2. ADHESIVE FOR MINERAL WOOL PANELS:
 - mineral adhesive ATLAS ROKER U
 ATLAS ROKER W

3. THERMAL INSULATION:
 - mineral wool panels
 thickness according to thermal calculations
 - lamella mineral wool panels
 thickness according to thermal calculations

4. ADDITIONAL FIXING:
 - mechanical fixings (anchors), determined in the
 insulation design, admitted to trading

5. BASECOAT:
 - mineral adhesive ATLAS ROKER U

6. GLASS FIBRE MESH

7. PRIMING MASS

(DEPENDING ON THE RENDER TYPE):

- ATLAS SILKON ANX
- ATLAS CERPLAST

8. RENDER:

- silicone ATLAS SILICONE RENDER
- silicone-silicate ATLAS SILICONE-SILICATE RENDER
- mineral ATLAS CERMIT MINERAL RENDER

9. PAINT:

- silicone ATLAS SALTA N
ATLAS SALTA
- silicate ATLAS SALTA S

10. DRIP PROFILE WITH MESH

A. Vertical surfaces insulated with ATLAS ETICS system

B. Ceiling insulated with ATLAS ROKER system
